## SIMMENTALS

*22nd annual production sale*  
**NOVEMBER 16, 2026**

1 p.m. at the ranch • Linton, N.D. • Simmental & SimAngus™  
60 Age Advantage Bulls • 36 Bred Heifers • Commercial Heifers from our Customers • Feature Choice Lot

# Welcome to our 22nd annual production sale.

I'm not sure where the year went, but they say, "The older you get, the faster time goes." If that's the case, I must be officially old! It has been another exciting year to be in the cattle industry. I'm glad that all of my customers have realized higher values for their cattle. Getting paid for the hard work and dedication this way of life requires is not why we chose this life, but it sure makes it a bit more rewarding.

I am especially proud of the way the sale cattle are represented in our program. When we moved to a fall sale, we began taking all of our own photos. Maria and I worked together to catch every lot photo for this year's sale, and no photos were edited. We represent our cattle in the most honest way possible. It is important to us that what you see is what you get.

We have been doing embryo transfer to propagate our best cow families for over 20 years. Almost every lot contains a donor cow on the bottom side of the pedigree. The longer I do this, the more I believe in the power of consistent cow families.

This is our seventh fall sale. We have received positive feedback about our extra-aged bulls that are developed slowly. The age advantage allows each bull to service more cows and thrive throughout the breeding season.

This set of bulls has never been offered for sale. We cull hard for structural and disposition issues to ensure you get our absolute best genetics. The bulls spent the summer on native pasture without supplement. We brought them home and started working with them in mid-August. The bulls have passed a breeding soundness exam, and we are offering the same policy regarding breeding guarantee. Look at the sale terms and conditions page to familiarize yourself with these terms.

The heifers in this sale spent the summer on pasture with no supplement. We are pleased with how they have come along, and they will be in excellent shape going into winter. We pride ourselves in the quality of our cowherd, and we expect these heifers to reflect that. The heifers were ultrasounded for calving dates in August and then were palpated closer to the sale to confirm pregnancy.

We will continue to market our customers' heifers. This year, we are showcasing heifers from two operations. Both families have been consistent customers. If this is something that interests you, please visit with us. We'd be happy to help if we can.

Our sale is a video-only sale; no cattle will be brought through a ring. This method has been a great way to have the sale at the ranch without building a facility. The advantage is no cattle will be moving during the sale, so you are free to view them as long as you like.

Consider visiting with us about our offering or stopping at the farm to view our offering prior to sale day. We would like the chance to help you select the right bull or heifer to fit your operation. We enjoy talking about cattle and welcome any questions. We look forward to visiting with you and welcome you to the ranch Monday, Nov. 16.

*Doug & Maria Bichler*

## SALE DAY PHONES

Doug Bichler.....701 226-4068  
Maria Bichler.....701 340-9749  
Paul Bichler.....701 226-5861

**SALE LOCATION:** Bichler Ranch, see directions below.

**SALE TERMS:** All cattle sell under the Suggested Sale Terms and Conditions of the American Simmental Association. Available upon request.

**PHONE BIDS:** Phone bid services will be available if an interested party cannot attend the sale. Please leave your bid with any of the sale staff listed in the catalog and we will do our best to accommodate you. We will try and fulfill your request to the best of our ability and no "running" of the bid will be allowed.

**ACCOMMODATIONS:** Motel rooms are available at Don's Motel, 701 254-5457, or the Cobblestone Inn and Suites, 701 254-5734. Both motels are located just off of Hwy 83 in Linton.

**ANNOUNCEMENTS:** Announcements made sale day and from the auction block take precedence over printed materials in the catalog or other printed material associated with the sale. Anyone attending the sale does so at their own risk. Any of the sale staff will not be responsible for any personal injury for attending this sale. We are not responsible for any accidents, damaged, or stolen items on sale day.

*We reserve the right to collect up to 100 units of semen on any of the bulls, for in-herd use. The semen will be collected at the seller's expense and the buyer's convenience. Please contact us if you have any questions.*

**SALE FORMAT:** The sale will be broadcast on DVAuction. The cattle will not go through the barn. Videos of all lots will be played as each one sells. The cattle will be penned near the barn for evaluation on sale day.

**DVAuction**  
Broadcasting Real-Time Auctions

**HAULING:** We would appreciate sale cattle be taken home on sale day. If you cannot take them home on sale day, please make arrangements prior to the sale to coordinate hauling. For cattle that need to travel a further distance, we will work with you to arrange trucking.

130 83rd  
Street SE  
Linton, N.D.  
58552

## SALE PERSONNEL

Tracy Harl, Auctioneer, Wellington, CO.....402 469-3852  
Scott Ressler, Ringman, ND Stockmen's Association.....701 391-7310  
Ken Odde, Ringman, ASA.....605 848-4479  
Vern Frye, Ringman, Special Assignment.....701 721-0344

**DISPOSITION:** We have given each lot a disposition score, based on our interactions with them. A score of 1 or 2 means we've had an easy time handling and managing these animals. A score of 3 or higher means those animals need to be handled with more respect and have a larger flight zone. Please note that as animals age and are handled in different environments, their disposition can change.

**BREEDING GUARANTEE:** All bulls in this sale have passed a breeding soundness exam by Steele Veterinary Clinic. We will cover injury or infertility of your new bulls that would prevent them from breeding through the first 60 days of the breeding season. To be eligible, bulls must bring \$4,500 or more. A salvage value will be deducted from the purchase price and either a replacement if available or sale credit at the next sale will be provided. Management issues, such as poor nutrition or frozen scrotums, will not be eligible. We ask that customers make us aware of issues as soon as they occur, and we reserve the right to request a veterinarian assessment.

## HEALTH PROGRAM:

We have tested our cowherd for Johne's disease for over 15 years. Each sale animal is from a Johne's-free dam.

| BULLS & HEIFERS   |                   |                     | BULLS               | HEIFERS             |
|-------------------|-------------------|---------------------|---------------------|---------------------|
| Calfhood          | Weaning           | Boosters            | Pre-Sale            | Pre-Sale            |
| Bovisheild Gold 5 | Bovisheild Gold 5 | Bovisheild Gold 5   | White drench        | White drench        |
| Oneshot Ultra     | Oneshot Ultra     | Oneshot Ultra       | Endovac             | CattleMaster 5      |
| 7-way             | 7-way             | 7-way               | Saber Ultra pour-on | Spirovac            |
|                   | Valcor            | Clean-Up II pour-on |                     | Saber Ultra pour-on |

**INSURANCE:** Insuring your bull or heifer is an affordable way to cover yourself in case of fatality. In many cases the full purchase price can be recovered with a simple policy. Insurance will be available by request.

**GENOMIC EPDS:** Our entire offering is genomically tested and so are their dams and sires. This ensures parentage, checks trait status such as color and polled, and improves EPD accuracy. Please note that EPDs may change from the time the sale catalog is printed to the time the registration paper is transferred.

**PREFERRED ROUTE:** Travel south of Linton, N.D., on Hwy 83 and turn west at 82nd Street. Travel for five miles and turn south at 2nd Ave. Travel for one mile and turn west at the Bichler Simmentals sign. Travel for three-quarter of a mile; the sale will be held in the red and white barn.

**SECONDARY ROUTE:** Travel west of Linton, N.D., on Hwy 13 and turn south at 3rd Ave. Travel for one mile and turn west at 80th Street. Travel for one mile and turn south at 2nd Ave. Travel for three miles and turn west at the Bichler Simmentals sign. Travel for three-quarter of a mile; the sale will be held in the red and white barn.

# Rockin H Captivate 275

Sons of  
**Rockin H Captivate**  
ASA#3991776

Lots 1-17, 38

Daughters sell as lots 63-68

*Captivate is, without a doubt, one of the best red bulls we've ever been associated with! Captivate has done everything we've hoped for, and now that his daughters are in production, we are excited about the big calves they raise and the quality of their sons in our sale. Wherever he is used, his progeny surface to the top of the program and he's done it again for us this year.*

If you've followed our sales the past few years, you should be familiar with the E780 donor. Her ability to bring in a top-performing bull every year is impressive, especially because she is one of our smallest cows. This bull has the power, frame and muscle we've come to expect from her.

## CCR ACCLAIM 8099K

Sire of lots 39-47

Daughters sell as lots 85-89

We are very satisfied with the job Acclaim has done. His bulls are stout, attractive and masculine. They offer an entirely new pedigree for our customers needing black cattle. His daughters are the eye-catching, feminine heifers that everyone notices from day one. He will heavily influence our program for several years.

We are always on the lookout for good cattle to add to our program. When L150 sold in the Eichacker Simmentals sale two years ago, she was a must-have for us. Her combination of phenotype, pedigree and proven cow family made us confident she would contribute great things to our herd. We were fortunate to partner with our good friends at Rural Route 5 Farm, of Michigan.

We had the first round of ET calves this spring, and we love this donor even more now! We have matings by CCR Acclaim, Bridle Bit Resource and WS Marvel. Every bull she was mated to clicked in a big way. Because she is such a prolific donor, we have a large group of ET heifer calves. We've decided to offer choice to one lucky buyer.

*We will allow the buyer to wait until genomics are back to select which heifer they'd like. Below are the planned matings of the pedigrees you can choose from. We reserve the right to one successful flush at the buyer's convenience and our expense.*

# Customer Commercial Heifers

**BCLR NIGHT CAP J6041**  
SERVICE SIRE TO LE ROY A.I. HEIFERS

## **LOT 100A & 100B**

### **LE ROY RANCH BRED HEIFERS:**

Jim and Mitch Le Roy, of Underwood, North Dakota, are fifth and sixth-generation farmers and ranchers who have been investing in Bichler Simmentals genetics for several years.

The Le Roys are once again offering a set of commercial bred heifers stemming from their own home-raised replacements. The heifers have been on an extensive mineral program since being weaned as calves and were caked through the summer.

On Aug. 28, the heifers were ultrasounded, poured with Clean up and Given Vira Shield 6VL5. On Nov. 5, the heifers received their first round of scour shots and Dectomax pour-on. On this same date, the heifers were ultrasounded again for a confirmed pregnancy. All ultrasound work was done by Bluegrass Veterinary Services of New Salem, ND.

**100A:** 20 black SimAngus commercial bred heifers AI'd on 5/28/26 to BCLR Night Cap J6041. Due to calve 3/06/27.

**100B:** 20 black SimAngus commercial bred heifers pasture bred by BCLR Manifesto J8182 and BCLR Manifesto L5. Due to calve 3/17/27 - 4/30/27.

The Le Roys would consider wintering options if buyers are interested. Questions can be directed toward Mitch at 701-315-0617.

*The heifers will remain at their respective ranches before and during the sale. A video of the heifers will be available on DVAuction. Interested buyers are welcome to view the heifers in person ahead of the sale.*

*We're thrilled to help market our customers' females. This is the third year we have advertised and marketed our customers' heifers in conjunction with our annual production sale. These females are either sired by or bred to bulls we've raised. Please contact us if you are interested in working with us to market your heifers in our 2027 sale.*

GRANDSIRE OF SAILER OPEN HEIFERS  
LE ROY P.E. HEIFERS BRED TO BCLR MANIFESTO SONS

## **LOT 100C**

### **SAILER OPEN HEIFERS:**

Chandler and Dawn Sailer have been raising cattle on their ranch north of Zap, North Dakota, since 2014 alongside Chandler's dad. They have been investing in Bichler Simmentals genetics for several years and use A.I. extensively in their program.

**They are offering 5 black open replacement heifers, sired by Bichler Simmentals bulls.**

Heifers have received Vision 7 and Pyramid 5 in spring. In the fall, they were given Ultrabac 7 and BSG/one-shot combo and poured with Dectomax. Heifers were boosted with BSG/one-shot combo, and checked open and breedable.

Questions can be directed toward Chandler at 701-891-9440.
