— ANNUAL BULL & FEMALE SALE —

FEB. 14, 2017 • 1 P.M.

New Location! AT THE RANCH, LINTON, N.D.

SIMMENTAL • SIMANGUS™ • RED ANGUS

BICHLER
SIMMENTALS & RED ANGUS

A man and a woman are standing in a grassy field at sunset. The man is wearing a maroon shirt and blue jeans, and the woman is wearing a colorful patterned dress and brown boots. Two dogs, a Corgi and a black and white dog, are sitting on the gravel path in front of them. The sky is filled with dramatic orange and yellow clouds.

BICHLER

SIMMENTALS & RED ANGUS

Welcome to the ranch for our 12th annual production sale. Our industry is unique; one in which we have gained lifelong friendships and working relationships with fellow breeders and customers alike through the work we do. We appreciate all interest in this year's sale and invite you to consider our offering found in this catalog as well as videos and information found on our website: www.bichlersimmentals.com. You are welcome to call at any time and visit the ranch – we love talking cattle!

While hosting the sale at our ranch has always been a goal, the decision was forced this year with the closing of Linton Livestock. We are forgoing an 11-year partnership and want to thank the staff for their support and dedication to our previous sales. We've undergone a whirlwind of logistics to prepare for this year's sale and hope you enjoy your time with us. We're thrilled to be welcoming back Tracy Harl as our auctioneer. Tracy brings a knowledge for the business and an integrity not commonly matched.

This year's offering is more uniform than ever and despite the weather, they have what we feel is respectable performance. We continually hear past customers say our bulls hold up well during and after breeding season and the females make excellent mothers. We strive to produce functional cattle which work in our herd and, more importantly, in yours!

As always, we are offering free feeding until after semen tested is completed in April. We offer free delivering within a 200-mile radius and will work with you in the event the bulls have further to go. If you can't wait to get your new bull home, we will give you a \$50 discount/bull for any hauled to their new home on sale day. Because females will be due to calve shortly after the sale, we would appreciate if the heifers went home on sale day or if prior arrangements are made for a timely pick up.

One more change this year is our video-only sale. No cattle will be brought through a ring. We realize some prefer a traditional way to sell cattle, however, we lack the labor and proper facility needed; instead we were prompted to find a better way. The advantage is no cattle will be moving during the sale, so you are free to view them as long as you like. They will be right out the door on sale day if you need a second look. We hope you will give this method a try; video sales have worked well for others, and more and more sales will be conducted this way in the future.

Once again, thank you for your interest. We look forward to visiting with you about our offering. See you at the ranch on Feb. 14!

- Doug & Maria

Quality, Not Quantity 2017 Production Sale

Sale Day Phones:

Doug Bichler..... (701) 226-4068
Maria Bichler..... (701) 340-9749
Paul Bichler..... (701) 226-5861
Patrick Schumacher..... (701) 321-3275

Sale Location: Bichler Ranch, see directions on page 33.

Sale Terms: All cattle sell under the Suggested Sale Terms & Conditions of the American Simmental Association. (Available upon request.)

Phone Bids: Phone bid services will be available if an interested party cannot attend the sale. Please leave your bid with any of the sales staff listed in the catalog and we will do our best to accommodate you. We will try and fulfill your request to the best of our ability and no "running" of the bid will be allowed.

Accommodations: Motel rooms are available at Don's Motel, (701) 254-5457, or the Cobblestone Inn & Suites, (701) 254-5734. Both motels are located just off of Hwy. 83 in Linton.

Announcements: Announcements made sale day and from the auction block take precedence over printed materials in the catalog or other printed material associated with the sale. Anyone attending the sale does so at their own risk. Any of the sale force will not be responsible for any personal injury for attending this sale. We are not responsible for any accidents, damaged, or stolen items sale day.

We reserve the right to collect up to 100 units of semen on any of the bulls, for in-herd use. The semen will be collected at the seller's expense and the buyer's convenience. Please contact us if you have any questions.

Breeding Guarantee: We guarantee all bulls to be breeders and we reserve the right to test any bulls in question as a non-breeder for at least 180 days before making an adjustment. And, if the bull is declared a sound breeder by a competent veterinarian, he will be returned to the buyer, at the buyer's expense. In cas an adjustment is required, it will be made with a replacement of equal value to the animal in question, credit on purchase of another animal or return of purchase price. We guarantee cattle to be healthy sale day.

Health Program: Bulls and heifers were calfhood vaccinated with Bovisheild Gold 5, Oneshot Ultra, 7-way Somnus, and injected with Dectomax. At weaning, calves were given Bovisheild Gold 5, 7-way Somnus and One Shot, boosters were given of the bovishield Gold 5, and 7-way Somnus and they were poured with Dectomax.

Additional Data: Ultrasound and scrotal data will be available the week prior to the sale.

Sale Personnel

Tracy Harl Auctioneer(402) 469-3852
Hastings, Neb.
Kirby Goettsch, Ringman(605) 380-3939
Farm & Ranch Guide
Scott Ressler, Ringman(701) 391-7310
North Dakota Stockmen's Association
Kris Petersen, Ringman(701) 339-0305
Cattle Business Weekly
Russ Danielson(701) 261-2742
American Simmental Association

Feeding, Hauling & Insurance: Bulls will be fed and Semen Tested Free of charge until delivery. Bulls will be delivered after semen testing and we would prefer to have all bulls delivered by the end of April.

If you choose to take your bull home on sale day we will offer a \$50 discount off the purchase price and load out will be available after the sale.

Customers who opt to have their bull(s) fed at the ranch are encouraged to purchase insurance. Insurance will be available for purchase on sale day. We recommend insuring your bulls at least through the first breeding season and this is a measure we employ in our own programs as well. Full liability is assumed by the buyer when the gavel falls. Bichler Simmentals & Red Angus is not responsible for injury or accidental death.

We would like the heifers hauled home on sale day. Please make arrangements prior to the sale if you feel you cannot get your heifers home that day.

EPD Information: Please note that EPDs may change from the time the sale catalog is printed to the time the registration paper is transferred.

Sale Format: We will be conducting a video auction. The cattle will not go through the sale ring. Instead, we will have all the lots on video. Videos of the bulls and females will be played as each one sells. The cattle will be penned near the sale barn for evaluation on sale day.

TNT RED EYE A212

With over 1/4 of the sale offering sired by TNT Red Eye A212, we felt he deserved to headline this year's sale catalog. We have been so impressed with Red Eye since we purchased him. He consistently sires the phenotype we are looking for in both his sons and daughters and the dispositions are just excellent! We are excited to calve out his first set of daughters and they are already forming beautiful udders. We are confident they will be the kind of brood cows that you see on the bottom side of our pedigrees in future sales for years to come! He compliments our program very well and as you flip through the catalog, it's evident he works on any pedigree. He is and will continue to be a big part of our program.

PB 1B Red Angus • RAAA# 3575519

Genomically Enhanced EPDs. Ranks 4th for WW and tied for 2nd high ADG among all bulls. Recommended for mature cows only.

WS Mother Lode W21 has just begun what we feel will be a huge impact on our program. She is among the most massive ribbed, big footed, and soundest cows we have worked with. Her trio of Wide Range sons was very popular on sale day last year and the full brothers this year have certainly not disappointed us. Her greatest attribute could be in our replacement pen as she stamps her daughters with her powerful phenotype. She is a favorite of everyone who visits the ranch and we are anxiously awaiting her ET calves as well as her natural calf by Ambition this spring.

BCLR Wide Load C21-3 (right) is a son of WS Mother Lode W21 (above) who was the second high-selling bull in our 2016 sale, selected by Genex. He is a paternal brother to Lots 44 and 48 and a flush mate to Lots 45, 46 and 47!

Baldy Bull - Suitable for heifers.

Simmental, Sim Angus & Red Angus Females Begin Here

This year's heifer offering is especially hard to let go of. We feel the potential in this group of heifers is very high and we would love to keep them all, but simply cannot. The matings on the bred heifers are exciting and we are offering some of the first progeny to sell out of the sires of our opens. We have great reports from the females we have sold in the past and we expect nothing less from this year's offering.

Please note: Because the bred heifers are due within 10 days of the sale, we ask that you be prepared to take them home on sale day. If you cannot attend or cannot haul after the sale, please make prior arrangements to get them home in a timely manner.

Planned matings were calculated on each bred heifer and the sire that she was confirmed to. They are listed in a table format (like the one here) beneath each lot:

CE	BW	WW	YW	ADG	MCE	Milk	MWW	CW	YG	Mrb	REA	API	TI

Homozygous Polled • Non-diluted • 3/16/2015 • Purebred Simmental • Introducing our new, red, Simmental herd sire – CDI Ambition 255C. Ambition is everything we have been looking for in a herd bull and more. He combines performance, phenotype, and a tremendous EPD profile in to an out-cross package that we couldn't be more excited about! We are expecting over 50 calves this spring, look for his progeny in next year's sale.

Bickler Females to watch!
