BICHLER

SIMMENTALS & RED ANGUS

Welcome to our 15th annual production sale. First and foremost, we want to sincerely thank you for your interest in our program. This business, though challenging at times, has become a way of life for us, and the rewards greatly outweigh the adversity. We have gained many lifelong friends and have met very talented cattlemen and women all over the world!

We would like to take this opportunity to let you know what we have been doing on our ranch. We are making major management transitions to better adapt to the changes life has thrown our way. This will be our last February sale, but we will continue to provide the highest quality bulls and females through our new sale date, starting this year on the third Monday of November. We moved calving back to May/June, and we are excited about the new opportunities these changes will provide for our ranch and our family.

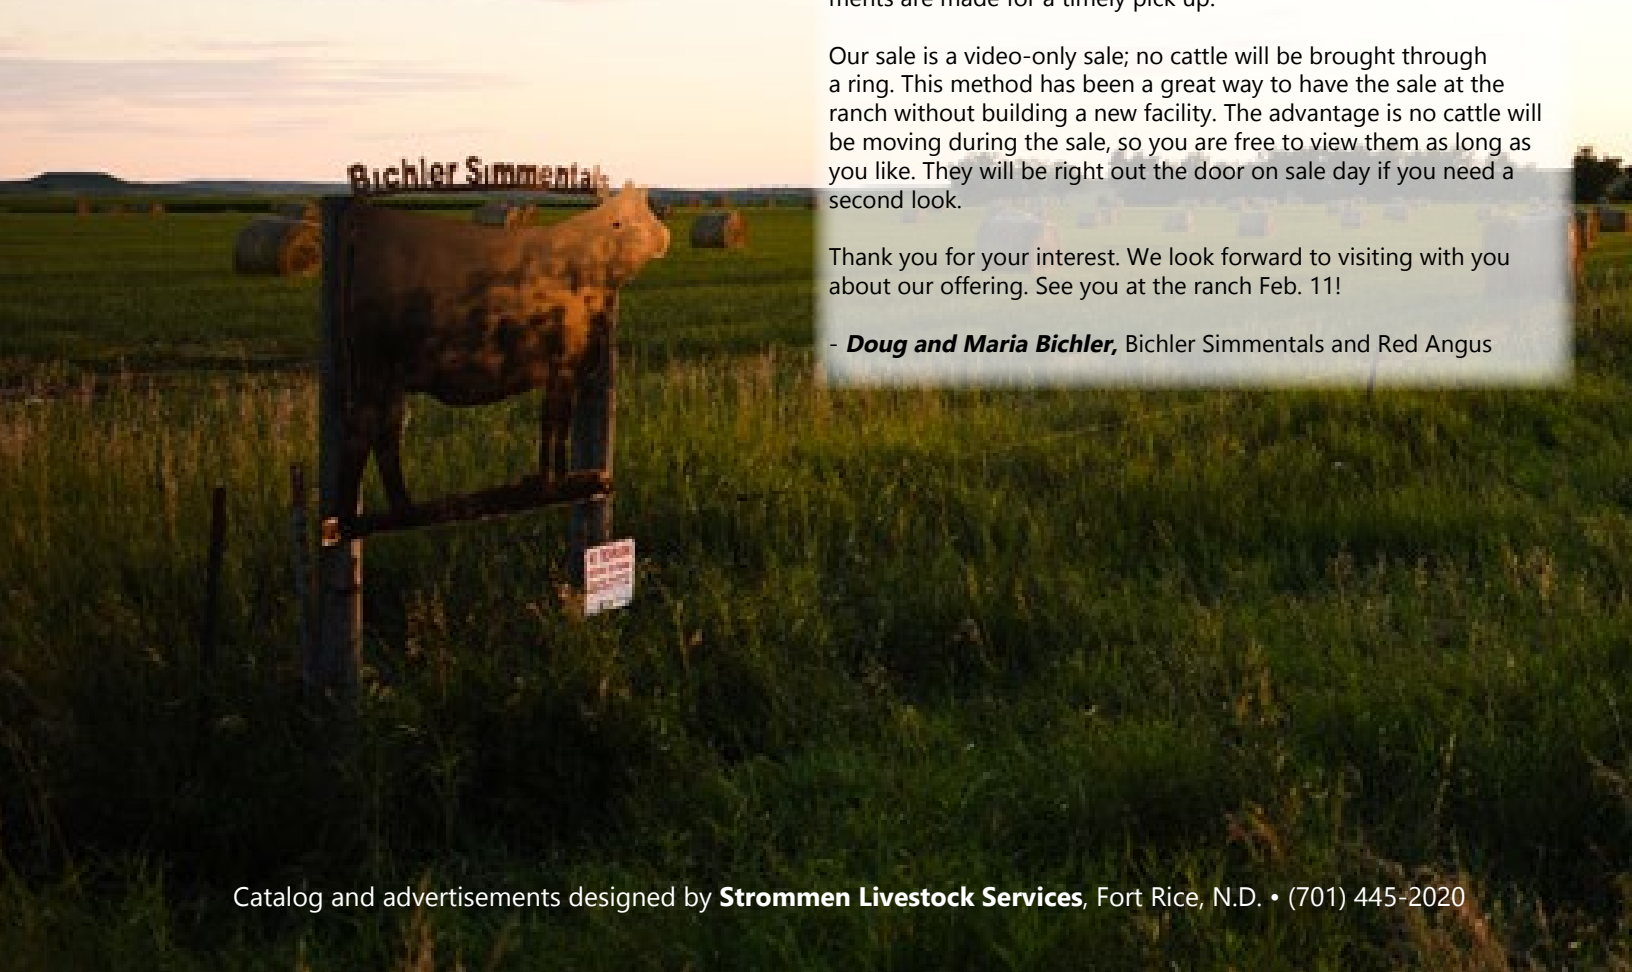

We have done our best to bring you a great set of cattle this year. Because of all the challenges Mother Nature sent our way, we know our cattle are slightly behind. This, coupled with the fact that **we did not creep feed this year**, reflects the slightly lower weaning weights you'll see. They are backed by superior cows that have to excel in production with a good udder and sound structure. We are providing the opportunity to select females we generally do not offer for sale. Only because our herd is at capacity are we able to offer females you do not have access to at most sales. We are proud that many of the females we have sold have gone on to be top producers in other herds.

As always, we are offering free feeding until after semen testing is complete in April. We offer free delivery within a 200-mile radius and will work with you in the event the bulls have further to go. If you cannot wait to get your new bull home, we will give you a \$50 discount per bull for any hauled to their new home on sale day. Because females will be due to calve shortly after the sale, we would appreciate if the heifers went home on sale day or if prior arrangements are made for a timely pick up.

Our sale is a video-only sale; no cattle will be brought through a ring. This method has been a great way to have the sale at the ranch without building a new facility. The advantage is no cattle will be moving during the sale, so you are free to view them as long as you like. They will be right out the door on sale day if you need a second look.

Thank you for your interest. We look forward to visiting with you about our offering. See you at the ranch Feb. 11!

Sale Day Phones:

Doug Bichler(701) 226-4068
Maria Bichler.....(701) 340-9749
Paul Bichler.....(701) 226-5861

Sale Location: Bichler Ranch, see directions below.

Sale Terms: All cattle sell under the Suggested Sale Terms & Conditions of the American Simmental Association. (Available upon request.)

Phone Bids: Phone bid services will be available if an interested party cannot attend the sale. Please leave your bid with any of the sale staff listed in the catalog and we will do our best to accommodate you. We will try and fulfill your request to the best of our ability and no "running" of the bid will be allowed.

Accommodations: Motel rooms are available at Don's Motel, (701) 254-5457, or the Cobblestone Inn & Suites, (701) 254-5734. Both motels are located just off of Hwy. 83 in Linton.

Announcements: Announcements made sale day and from the auction block take precedence over printed materials in the catalog or other printed material associated with the sale. Anyone attending the sale does so at their own risk. Any of the sale staff will not be responsible for any personal injury for attending this sale. We are not responsible for any accidents, damaged, or stolen items on sale day.

We reserve the right to collect up to 100 units of semen on any of the bulls, for in-herd use. The semen will be collected at the seller's expense and the buyer's convenience. Please contact us if you have any questions.

Breeding Guarantee: We guarantee all bulls to be breeders and we reserve the right to test any bulls in question as a non-breeder for at least 180 days before making an adjustment. And, if the bull is declared a sound breeder by a competent veterinarian, he will be returned to the buyer, at the buyer's expense. In case an adjustment is required, it will be made with a replacement of equal value to the animal in question, credit on purchase of another animal or return of purchase price. We guarantee cattle to be healthy on sale day.

Health Program: Bulls and heifers were calfhood vaccinated with Bovisheild Gold 5, Oneshot Ultra, 7-way Somnus, and injected with Dectomax. At weaning, calves were given Bovisheild Gold 5, 7-way Somnus and One Shot, boosters were given of the Bovisheild Gold 5, and 7-way Somnus and they were poured with Clean-Up II.

Feeding, Hauling & Insurance: Bulls will be fed and semen tested free of charge until delivery. Bulls will be delivered after semen testing and we would prefer to have all bulls delivered by the end of April.

If you choose to take your bull home on sale day we will offer a \$50 discount off the purchase price and load out will be available after the sale.

Customers who opt to have their bull(s) fed at the ranch are encouraged to purchase insurance. Insurance will be available for purchase on sale day. We recommend insuring your bulls at least through the first breeding season and this is a measure we employ in our own programs as well. Full liability is assumed by the buyer when the gavel falls. Bichler Simmentals & Red Angus is not responsible for injury or accidental death.

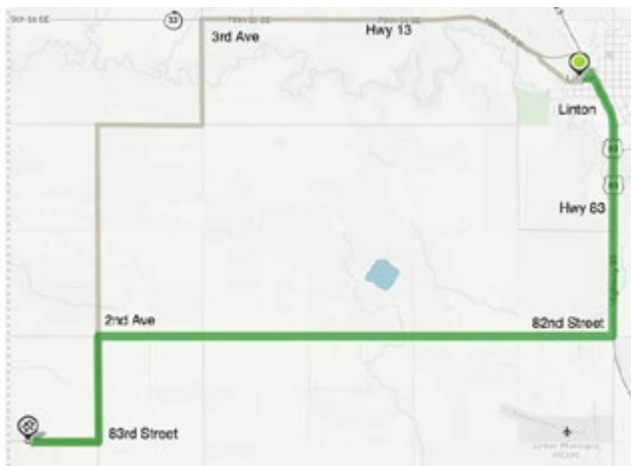

We would like the heifers hauled home on sale day. Please make arrangements prior to the sale if you cannot get your heifers home that day.

EPD Information: Please note that EPDs may change from the time the sale catalog is printed to the time the registration paper is transferred.

Sale Format: We will be conducting a video auction. The cattle will not go through the sale ring. Instead, we will have all the lots on video. Videos of the bulls and females will be played as each one sells. The cattle will be penned near the sale barn for evaluation on sale day.

The sale will be broadcast on DVAuction.

FLUSH SISTERS

This flush of Authority sisters is among the best we've produced. They are so consistent and correct in their overall type and kind. We have realized the value of our Authority daughters over the years and we are excited to implement the 38W cow into our herd through this flush. Only because she is such a prolific producer are we able to offer the pick of this group of ET daughters.

96 PICK OF THE 2019 HEIFER CALVES

We wanted to offer a unique opportunity in this year's sale so we are doing something we've never done before! We are opening our replacement pen and letting you select your favorite heifer calf. We have not marketed any of our 2019 heifer calves anywhere but this sale. Many pedigrees, daughters of donors, performance-oriented and great-numbered heifers are in this selection. We have over 80 heifers to choose from. We would like the selection to be done by March 15, 2020, and we reserve the right to collect a minimum of 10 grade 1 embryos at the buyer's convenience and seller's expense.

97 PICK OF THE COWHERD FLUSH

This opportunity was so well received in last year's sale, we decided to offer one more chance of an IVF flush on any cow in our herd. We have many exciting young cows that have not yet been flushed as well as cornerstone donors that work every time. The choice is yours! We have moved our calving season back so the flushing will be done after July 1, 2020, and before Nov 1, 2020. We will guarantee six freezable embryos with an open top. We will be responsible for administering shots and transporting the donor for flushing. Excludes partnership cows.
