

BICHLER

DORPERS

Bichler Dorpers 2104, April 2021 fullblood ewe lamb

*Breeding stock
available at all times!*

*Above: Afion Hills 8110, a 3 year old purebred, will lamb
3 times in 2 years*

ADVANTAGES OF DORPERS

- Fertile and easy fleshing
- Non-seasonal breeders
- Fast growth and heavy muscle
- Superior carcass quality
- No shearing - Dorpers shed their wool

*Right: Happy Hills Farm 193
(Happy), yearling fullblood
stud ram covering ewes*
